

As an existing buyer you are entitled to a discount coupon for turning your app screenshots into pro screenshots for only \$5.

#### ORDINARY SCREENSHOTS

VS.

#### PRO SCREENSHOTS

Your screenshots will be placed in a phone frame and I will add a cool background matching your style. This will make your app look better on Google Play which is a [proven](#) method to get you more app downloads.

All you need to do is to send me a message and I will send you a custom offer for you to accept.

Thank you!
